

Why is the System asking me to Change my Password?

Core Portal is applying security best practice in prompting you to change your password.

If you sign in to Core Portal and get the following screen '**Change Password**' this means that it has been more than **90 days** since you last changed your password:

PSSC
Seirbhís Chomhroinnte Fóroíola
Payroll Shared Service Centre

Change Password

New password must be at least 8 characters and contain at least 1 capital letter and 1 number and differ from previous pas
